

# Canada's Exciting New Children's Singer!

Jump-up its time to dance!  
Stand-up its time sing!  
Wake-up its time to play!

Music with BRIAN is a fun, engaging and educational experience that has children dancing, singing and playing during every show.

"Truly a fun and entertaining performance... BRIAN had the children up on their feet dancing and singing for the whole show! Students and teachers alike really enjoyed hearing and learning about the saxophone, clarinet, trumpet and flute. The show was different and refreshing!"

- Margaret MacKay, Helen Wilson Public School

Children aged 0 to 7 years will be moving and shaking to traditional songs such as Waltzing Matilda, Old MacDonald, Oh Suzanna, The Ants Go Marching as well as BRIAN's original creations including Jump Up, I Like Trains, Can You Dance, Zoo Time Boogie and many more.

"BRIAN's 30 years of music experience shines through in his debut CD, *Sing Sing Sing...* I must warn you, regardless of whether you are a kid or an adult, BRIAN's songs make it so easy for you to start bobbing your head up and down and get dancing... 4 stars out of 4" - CM Magazine

In addition to crossing many musical genres, the songs performed by BRIAN are loaded with actions and fun! BRIAN gets right down on the floor with the children and sings, dances and plays a variety of instruments during each performance.

"Brian is a sheer delight to both parents and children... His energy and style is contagious!" - Michele McBride, Special Events Coordinator, City of Kitchener
